TMS Has Attracted A Blue-Chip Investor

Warsaw, Poland, January 8th, 2007 – FOR IMMEDIATE RELEASE

Dom Maklerski TMS Brokers S.A. (www.tmsbrokers.pl), the leading FX brokerage house in Poland, announced today, that the Fund advised by 3TS Capital Partners has agreed to acquire significant minority stake in the company.

The new investor will help TMS to continue fast development in Poland as well as support expansion into other markets in Central and Eastern Europe. The transaction is subject to approval from the Polish Financial Supervision Authority.

"We are very happy to have 3TS as a partner in TMS Brokers. I am sure that TMS Brokers position and resources as well as 3TS experience in development technology-based companies like ours will create the synergy and additional value for our shareholders, partners and clients" - said Mariusz Potaczała, CEO and the Founder of TMS. "With 3TS' support TMS Brokers will be able to develop its activities and sustain the competitive advantage due to expansion of products portfolio and geographical reach. All these activities will confirm and strengthen our leading position in the Polish FX investment companies market, he added.

"3TS primarily targets investments in fast growing companies in Central and Eastern Europe. TMS is in the core of our focus given its growth potential. We are delighted to continue our investment activities in Poland with this very attractive investment. This investment is a major commitment to continue participating in the growth opportunities of the New Europe." said Piotr Noceń, 3TS Investment Director responsible for the TMS investment. "We are impressed with the depth and quality of the management team and 3TS, has the people, skills and market savvy to assist in TMS development in the near future.", he continued.
